

## How to do quick text changes

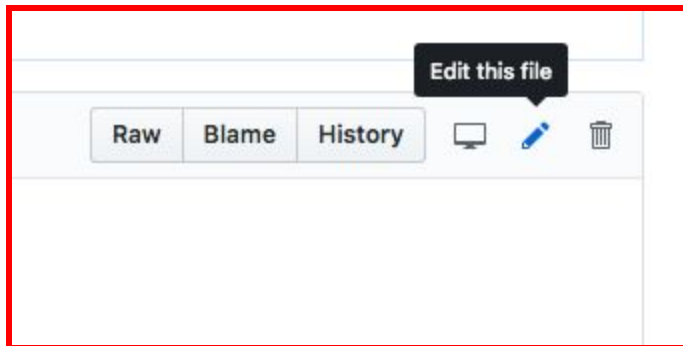

In this example, I walk you through how to make changes to the website's text!  
First of all, log onto GitHub.com with your email and password

- 1) Go to the site and find the text you'd like to change

- 2) Each tab corresponds to its own page. To change each page, follow these links:
  - a) Home:  
<https://github.com/champaignadvocacycenter/champaignadvocacycenter.github.io/blob/master/index.html>
  - b) About:  
<https://github.com/champaignadvocacycenter/champaignadvocacycenter.github.io/blob/master/pages/about.html>
  - c) Resources:  
<https://github.com/champaignadvocacycenter/champaignadvocacycenter.github.io/blob/master/pages/resources.html>
  - d) Staff:  
<https://github.com/champaignadvocacycenter/champaignadvocacycenter.github.io/blob/master/pages/staff.html>
  - e) What To Expect:  
<https://github.com/champaignadvocacycenter/champaignadvocacycenter.github.io/blob/master/pages/whattoexpect.html>
  - f) Why It Matters:  
<https://github.com/champaignadvocacycenter/champaignadvocacycenter.github.io/blob/master/pages/whyitmatters.html>

- 3) Click “Edit File” on the upper right hand corner

- 4) The text you want to change will live between two tags, for example:

<p> Text you want to change </p>

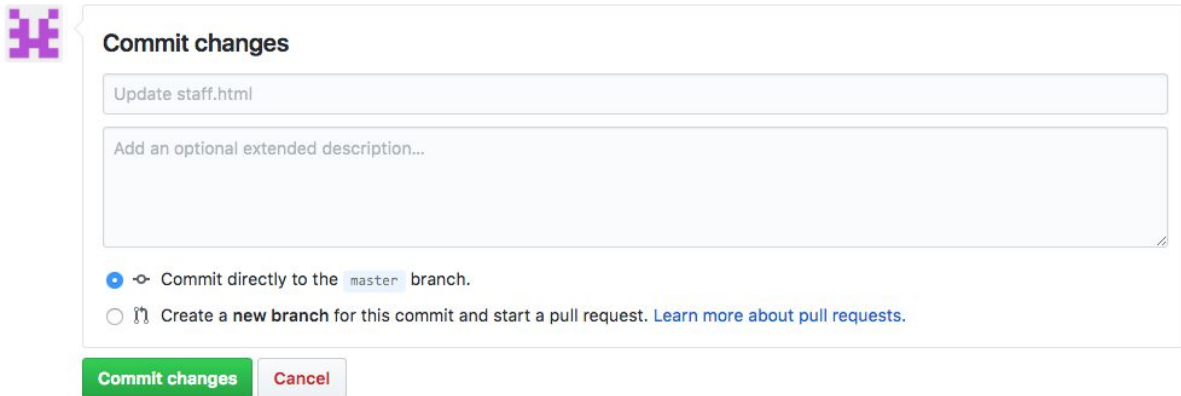

<h1> Header text you want to change </h1>

Don't change any tags! Only change the text you want to change!

```
<div class="row experience">
  <h5>Experience</h5>
  <p>
    As a native of the Champaign-Urbana and a graduate of Urbana High School,
    Crystal has always had a vested interest in enhancing the minds and lives
    of the people residing in the Champaign-Urbana community and surrounding
    areas. Crystal has a genuinely strong devotion for working with and helping
    people. She has been working with children and families for over 20 years
    in a variety of capacities in Champaign and Vermilion counties. Her
    experience working within the Urbana School District for several years,
    in various positions, allowed her to see firsthand the need for counseling
    and mental health services for students and their families, which is why
    she chose to obtain a Master's Degree in Counseling. Crystal has been a
    Family Advocate with the Children's Advocacy Center of Champaign County
    since 2016. She finds her counseling and clinical skills extremely helpful
    in her work with the people she encounters daily. Crystal finds her job
    truly rewarding and feels she makes a positive difference in the lives of
    many families at a very turbulent and emotional time in their lives.
  </p>
</div>
```

If you can't find exactly where your text is, use Edit+Find or Ctrl+F to search the page for keywords!

5) Finally, add a short description of changes and click “Commit Changes”

The image shows a 'Commit changes' dialog box. It features a purple icon on the left. The title 'Commit changes' is at the top. Below it is a text input field containing 'Update staff.html'. Underneath is a larger text area with the placeholder 'Add an optional extended description...'. At the bottom, there are two radio button options: the first is selected and says 'Commit directly to the master branch.', and the second is unselected and says 'Create a new branch for this commit and start a pull request. Learn more about pull requests.' At the very bottom are two buttons: 'Commit changes' (green) and 'Cancel' (grey).

**Commit changes**

Update staff.html

Add an optional extended description...

☒ Commit directly to the `master` branch.

☐ Create a new branch for this commit and start a pull request. [Learn more about pull requests.](#)

**Commit changes** **Cancel**
